Annex 4 – Inquiry No. 91130806

Information Request

"Procurement and installation of armoured vehicle glasses (AGP) for TLC"

The following information and documents a requested to be presented within the bidding documents:

(1) **List of References with date/year, number and type of vehicles which have been repaired in respect of armoured windshields and armoured vehicle glasses.**

(2) **Technical Certificates for armoured glasses from AGP (American Glass Products)** of armoured vehicles Toyota TLC 200, TLC 76 and TLC 105 (see attached list for relevant chassis numbers) with the following specifications: RM1434, Area 0.88, Surface Curve, Thickness 40.9+/-5% (OEM style multi-layer glass/polycarbonate combination, Ref: EN 1063 or CEN1063 bullet resistant glass, protective level / threat level: BR 6) with certificate of the origin of the bullet resistant glass, Certificate Test Certificate- Classification BR V 2009-VR7 or B6, legal verification and certification for weapons and security engineering.
Please note that the armoured glasses should be provided from an AGP and that we do not accept any cutting or adjustment of standard armoured glasses for installation in the different model type of vehicles. Therefor exact serial numbers per Type, model and year as well as before mentioned certificates, serial numbers on the classes as well as shipment and delivery documents should be available in original version for the sample check.

(3) **Delivery Time / Warehousing**:

- Confirmation that for 15 armoured vehicles relevant spare parts on glasses are available (front windshields) to start installation of the armoured vehicle glasses at GIZ compound in Mazar-e-Sharif within shortest time possible.
- Confirmation of the minimum and maximum delivery/repair time (in days) for the change of armoured glasses of all 36 vehicles.

(4) **Authorization Letter as AGP Dealer**

(5) **TQM / ISO Certificates**

(6) **Mobile Workshop**: Confirmation that a mobile workshop team is available and can provide immediate renewal of armoured windshields/glasses at the GIZ compound in Mazar-e-Sharif in case of contract award.

(7) **Security**: Confirmation that the workshop is guarded 24/7 under full security coverage 24/7 and security surveillance.

(8) **Training and staff qualification, especially for armoured windshields repair work.**

Confirmations have to be clearly stated on a company letter and signed by the authorized general management of the bidder. GIZ reserves the right to check the information (if not otherwise marked as confidential) as well as to reject bids with unqualified confirmations and missing or expired certificates.
