15. Evaluation of Bids
Administrative Conformity
Bids will be checked to determine if they comply with the essential requirements of the ITB. A Bid is deemed to comply if it satisfies all the conditions, procedures and specifications in the ITB without substantially departing from or attaching restrictions with them. If a Bid does not comply with the ITB, it will be rejected immediately and may not subsequently be made to comply by correcting it or withdrawing the departure or restriction.

Technical Evaluation
The Evaluation Committee will rule on the technical admissibility of each Bid, classifying it as technically compliant or non-compliant. The technical evaluation will be based on the information and documents annexed in the Bid concerning both the task to be carried out under the ITB, and the professional ability of the Bidder.

Financial Evaluation
The Evaluation Committee will not necessarily choose on the basis of lowest price alone but will award a contract on the basis of criteria such as best value for money, price, quality, and compliance with international norms, delay for delivery and other criteria, as defined in the ITB. The experience of the Bidder in the performance of similar contracts may also be criterion for selection.

16. General Conditions of Contract
All Bidders must acknowledge that the DRC General Conditions of Contract for the Procurement of Goods, or Services, or Works, as applicable, are acceptable.

17. Cancellation of the ITB
In the event of a ITB cancellation, Bidders will be notified by DRC. If the ITB is cancelled before the outer envelope of any Bid has been opened, the sealed envelopes will be returned, unopened, to the Bidders.

The ITB may be cancelled in the following situations:
» where no qualitatively or financially worthwhile Bid has been received or there has been no response at all;
» the economic or technical parameters of the project have been fundamentally altered;
» exceptional circumstances or force majeure render normal performance of the project impossible;
» all technically compliant Bids exceed the financial resources available;
» There have been irregularities in the procedure, in particular where these have prevented fair competition.

In no circumstances will DRC be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a ITB, even if DRC has been advised of the possibility of damages. The publication of a procurement notice does not commit DRC to implement the programme or project announced.

13. ADVERTISING
13.1 The Supplier shall not advertise or otherwise make public the fact that he is a Supplier to the DRC without specific approval from DRC. Nor shall the Supplier in any manner whatsoever use the name of the DRC, or any abbreviation thereof, in connection with his business or otherwise. Non-observance of these conditions shall entitle the DRC to cancel the Contract, or any part thereof, and to hold the Supplier liable for any damages which the DRC has sustained as a result thereof.

14. ASSIGNMENT AND INSOLVENCY
14.1 The Supplier shall not assign, transfer, pledge or make other disposition of this Contract, or any part thereof, or any of the Supplier's rights, claims or obligations under this Contract except with the prior written consent of the DRC.

14.2 Should the Supplier become insolvent or should control of the Supplier change by virtue of insolvency, the DRC may without prejudice to any other rights or remedies, terminate this Contract by giving the Supplier written notice of termination.

15. AMENDMENTS
15.1 No changes in or modifications to this Contract shall be valid unless confirmed in writing by both parties.

16.2 In the event of and as soon as possible and no later than one (1) week after the occurrence of any cause constituting Force Majeure, the Supplier shall give notice and full particulars in writing to the DRC of such occurrence or change if the Supplier is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Supplier shall also notify the DRC of any other changes in conditions or the occurrence of any event that interferes or threatens to interfere with its performance of this Contract. On receipt of the notice required under this article, the DRC shall take such action as, in its sole discretion, it considers to be appropriate or necessary in the circumstances, including the granting to the Supplier of a reasonable extension of time in which to perform its obligations under this Contract, or termination of the Contract if any delay will force an extension to the delivery schedule.
16.3 Notwithstanding anything to the contrary in this Contract, the Supplier recognizes that the work and services may be performed under harsh or hostile conditions caused by civil unrest. Consequently, delays or failure to perform caused by events arising out of, or in connection with, such civil unrest shall not, in itself, constitute Force Majeure under this contract.

Access given to agents of any external auditor authorized by the DRC carrying out verifications shall be on the basis of confidentiality with respect to third parties, without prejudice to the obligations of public law to which they are subject. Documents must be easily accessible and filed so as to facilitate their examination and the Supplier must inform the DRC of their precise location.

18.4 The Supplier guarantees that the rights of any external auditor authorized by the DRC carrying out verifications as required to carry out audits, checks and verification shall be equally applicable, under the same conditions and according to the same rules as those set out in this Article, to the Supplier’s partners, and subcontractors. Where a partner or subcontractor is an international organization, any verification agreement concluded between such organization and the donor applies.

19. RULE OF ORIGIN AND NATIONALITY
19.1 If any rules of origin and nationality are applicable due to donor requirements, limiting the eligible countries for goods, legal and natural persons, the Supplier must adhere to these rules and be able to document and certify the origin of goods and nationality of legal and natural persons as required.
