

United Nations Humanitarian Air Services

UNHAS/WFP

A United Nations Common Air Service for Humanitarian and Development Agencies and their implementing partners

To: All UNHAS CLIENTS
Dated: 24 March 2014
Sub: SECURITY MEASURES (CIRCULAR 0150)

MESSAGE ON BEHALF OF CARLOS BOTTA, CHIEF AIR TRANSPORT OFFICER, WFP/ UNHAS

Dear Members of the UNHAS User Community:

Kindly be advised, we wish to inform you all that there will be new additional security measures and procedures implemented at the UN Terminal, effective immediately.

Hence, all UNHAS passengers travelling on UNHAS flights and the agencies' focal points visiting UNHAS for booking are to be aware of these measures (applicable to everyone), such as, body and luggage search, screening, and 100% agency ID check **(the ID must be valid and must match with the name as booked/ticket).**

In the absence of valid ID, the passenger must be holding and present the copy of the approved letter by the UNHAS management.

Failure to do so, the passenger or the focal point will be denied to access the UN Terminal.

Non-compliance with the above regulation, the passenger/s will be denied access to UNHAS flights and will be considered as "no show" for the flight and loose in totality flight charges paid thereof.

In view of the prevalent security situations, we appreciate your cooperation in compliance with these security measures.

Thanking you for your understanding and support.

**Regards,
UNHAS Management**
