

Aga Khan Agency for Habitat
Afghanistan

INVITATION FOR BIDS

The Aga Khan Agency for Habitat (AKAH) in Afghanistan invites sealed bids for the feasibility study of road from Yashtew village of Ishkashim district to Yasich village of Shuhada district with and approximate length of 25km. The study shall also incorporate: Topographic survey, provide details of all season road options and alternative routes, technical data (i.e. design, drawings, estimation), and all activities mentioned in section 2 and 3 or the RFP.

Expectations

- Qualification of the consultancy, including relevant experience, financial capacity and staff capabilities are of significance. Creativity in project design, as well as identification of other tasks that should be considered must be identified in the report,
- A financial proposal in local currency (Afghani/AFN) should be included. All proposals are deemed valid for 45 days, and cost estimates must be inclusive of all taxes.

Duration

The duration of the project is expected to be 50 days (1 July to 19 August 2019) right from the issuing of Notice to Proceed (NTP).

Process

Interested applicants are requested to collect Request for Proposals (RFP) applications from AKAH's Operations Department from below addresses—Kabul and Faizabad, Badakhshan. Bid documents are requested to submitted with an official request letter from the company and a copy of AISA certificate up to June 13, 2019. Or the RFP can be submitted electronically in an email to below email addresses along with copy of license and introduction letter.
