Section 1: Instructions to Offerors

1. **Introduction:** The Capacity Building Activity Project (CBA) is a USAID program implemented by Chemonics International in Afghanistan. The goal of the Capacity Building Activity Project (CBA) is to work in close partnership with the Ministry of Education (MoE) to support the achievement of the goals it set forth in the 2015-2020 National Education Strategic Plan (NESP). Specifically, CBA will support the MoE in delivering higher quality education services by improving MoE's internal systems and procedures, increasing its transparency of its activities, and ultimately increasing its performance accountability. As part of project activities, the Capacity Building Activity (CBA) requires the purchase of monthly office supplies and stationery including of delivery to Badghis provincial office.

The purpose of this RFQ is to solicit quotations from eligible suppliers for as-needed, ad hoc purchases of Monthly office supplies and stationery. As a result of this RFQ, the (CBA) Project anticipates issuing a blanket purchase agreement (BPA)—or possibly multiple BPAs—to establish specific pricing levels and parameters for ordering these commodities/services. This will allow the (CBA) Project to issue specific purchase orders, on an as-needed basis, for the procurement of these items over the next 12 months. The Supplier shall furnish the supplies/services described in any purchase orders issued by Chemonics under this BPA. Chemonics is only obligated to pay for supplies/services ordered through purchase orders issued under this BPA and delivered by the Supplier in accordance with the terms/conditions of this BPA.

Offerors are responsible for ensuring that their offers are received by Chemonics in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere with instructions described in this RFQ may lead to disqualification of an offer from consideration.

2. **Offer Deadline and Protocol:** Offers must be received no later than 04:00pm local Kabul time on June 20, 2019 by the offerors, email size should not be more than 5MB, hard copy of quotation will not be accepted. Emailed offers must be emailed to procurement@cba-af.com. Subject line of email must be CBA-BDG-RFQ-19-005-(Monthly office supplies).

Please reference the RFQ number in any response to this RFQ. Offers received after this time and date will be considered late and will be considered only at the discretion of Chemonics.

3. **Questions:** Questions regarding the technical or administrative requirements of this RFQ may be submitted no later than 04:00pm local Kabul time on June 16, 2019 by email to procurement@cba-af.com. Questions and requests for clarification—and the responses thereto—that Chemonics believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by Chemonics will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of Chemonics or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. **Specifications:** Section 3 contains the technical specifications of the items that may be ordered under the BPA. All commodities offered in response to this RFQ must be new and unused. In addition, all electrical commodities must operate on 240V, 50Hz.

Please note that, unless otherwise indicated, stated brand names or models are for illustrative description only. An equivalent substitute, as determined by the specifications, is acceptable.

At this time, specific quantities to be purchased under any BPA resulting from this RFQ are unknown. Specific quantities will depend on the needs of the CBA Project. Individual purchase orders will be issued under the BPA agreement, as the need arises for additional commodities/services.

5. **Quotations:** The per-unit pricing in quotations in response to this RFQ must be priced on a fixed-price, all-inclusive basis, including delivery and all other costs. Pricing must be presented in AFN. Offers must remain valid for not less than **sixty (60) calendar days** after the offer deadline. Prices quoted must remain fixed for a minimum of 12 months. Offerors are requested to provide quotations on official letterhead or quotation format; in the event this is not possible, offerors may complete the table in Section 3.

In addition, offerors responding to this RFQ are requested to submit the following:

- Organizations responding to this RFQ are requested to submit a copy of their official registration or business license.
- Individuals responding to this RFQ are requested to submit a copy of their identification card.

6. **Delivery:** The delivery location for the items described in this RFQ is Badghis provincial office. As part of its response to this RFQ, each offeror is expected to provide an estimate (in calendar days) of the delivery timeframe (after receipt of order). The delivery estimate presented in an offer in response to this RFQ must be upheld in the performance of any resulting contract.

Source/Nationality/Manufacture: All goods and services offered in response to this RFQ or supplied under any resulting award must meet **USAID Geographic Code (937)** in accordance with the United States Code of Federal Regulations (CFR), [22 CFR §228](#). The cooperating country for this RFQ is Cuba, Iran, North Korea and Syria.

Offerors may not offer or supply any commodities or services that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Cuba, Iran, North Korea and Syria.

7. **Warranty:** Warranty service and repair within the cooperating country is required for all commodities under this RFQ. The warranty coverage must be valid on all commodities for a minimum of **twelve (12) months** after delivery and acceptance of the commodities, unless otherwise specified in the technical specifications.

Taxes and VAT: Pursuant to Article 72 of the Afghanistan Income Tax Law, Chemonics is required to withhold taxes from the gross amounts payable to all Afghan subcontractors. In accordance with this requirement, should an award be made to a successful offeror and an agreement is successfully negotiated with that offeror, Chemonics will withhold two percent (2%) tax from the entity's gross invoices if the entity is in possession of an active business license issued by any of the following entities - the Ministry of Commerce and Industry, Ministry of Tourism, Ministry of Information and

Culture, Ministry of Telecommunications, Ministry of Economics, Ministry of Education or Ministry of Public Health - at the time the awarded entity submits invoices for payment, and the invoices are successfully reviewed and approved by Chemonics. If the entity provides services contrary to approved by-laws or it does not possess a business license issued by any of the aforementioned public entities, but possesses licenses issued by other local or national government entities or municipalities, Chemonics will in this case withhold a seven percent (7%) fixed tax on the gross amount payable to the awarded entity, subject to Chemonics' review and approval of the subcontractor's invoices. In either case, this tax is withheld by Chemonics from the gross amount payable to the awarded entity and subsequently remitted to the Ministry of Finance. Chemonics will maintain records of all of such remittances. Chemonics reserves the right to directly verify all licenses with the relevant authorities.

8. **DUNS Number:** Companies or organizations, whether for-profit or non-profit, shall be requested to provide a Data Universal Numbering System (DUNS) number if selected to receive an award in response to this RFQ valued greater than or equal to USD\$30,000 (or equivalent in other currency). If the Offeror does not have a DUNS number and is unable to obtain one before proposal submission deadline, Offeror shall include a statement noting their intention to register for a DUNS number should it be selected as the successful offeror or explaining why registration for a DUNS number is not possible. Contact Dun & Bradstreet through this webform to obtain a number: <https://fedgov.dnb.com/webform>. Further guidance on obtaining a DUNS number is available from Chemonics upon request.
9. **Eligibility:** By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. Chemonics will not award a contract to any firm that is debarred, suspended, or considered to be ineligible by the U.S. Government.
10. **Evaluation and Award:** The award will be made to a responsible offeror whose offer follows the RFQ instructions, meets the eligibility requirements and is judged to be the best value based on a lowest-price, technically acceptable basis.

The relative importance of each individual criterion is indicated below:

- The potential vendors must be registered with the government of Afghanistan and have a valid AISA or Business license. A Vendor's current, valid AISA or Ministry of Commerce Business License must be attached with its quotation.
- The potential vendors should provide an Official Bank Account with the same name as it is stated in Vendor's AISA or business license.
- Vendor must complete the document.

Please note that if there are significant deficiencies regarding responsiveness to the requirements of this RFQ, an offer may be deemed "non-responsive" and thereby disqualified from consideration. Chemonics reserves the right to waive immaterial deficiencies at its discretion.

Best-offer quotations are requested. It is anticipated that award will be made solely on the basis of these original quotations. However, Chemonics reserves the right to conduct any of the following:

- Chemonics may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the full technical requirements of this RFQ, Chemonics may issue a partial award or split the award among various suppliers, if in the best interest of the CBA Project.
- Chemonics may cancel this RFQ at any time.
- Chemonics may reject any and all offers, if such action is considered to be in the best interest of Chemonics.

Please note that in submitting a response to this RFQ, the offeror understands that USAID is not a party to this solicitation and the offeror agrees that any protest hereunder must be presented—in writing with full explanations—to the CBA Project for consideration, as USAID will not consider protests regarding procurements carried out by implementing partners. Chemonics, at its sole discretion, will make a final decision on the protest for this procurement.

11. **Terms and Conditions:** This is a Request for Quotations only. Issuance of this RFQ does not in any way obligate Chemonics, the CBA Project, or USAID to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to Chemonics' standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:

- Chemonics' standard payment terms are net 30 days after receipt and acceptance of any commodities or deliverables. Payment for purchase orders issued under any BPA resulting from this RFQ will only be issued to the entity submitting the offer in response to this RFQ and identified in the corresponding BPA award; payment will not be issued to a third party.
- Any award resulting from this RFQ will be in the form of a Blanket Purchase Agreement (BPA). The CBA Project anticipates issuing a BPA (or multiple BPAs) under which specific purchase orders can be issued—on an as-needed basis—at the pricing levels established in the BPA. When the need arises for the commodities/services described in the BPA, the CBA Project will issue a purchase order to the BPA-holder. If there are multiple BPA-holders as a result of this RFQ, the purchase order will be issued to the BPA-holder that presents the best value for that specific order, based on price and delivery time. Any BPA issued as a result of this RFQ will have a minimum duration of at least 12 months. The Supplier shall furnish the supplies/services described in any purchase orders issued by the CBA Project under the BPA. The CBA Project is only obligated to pay for supplies/services to the extent purchase orders are issued under any BPA resulting from this RFQ.
- No commodities or services may be supplied that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Cuba, Iran, North Korea, Syria.
- Any international air or ocean transportation or shipping carried out under any award resulting from this RFQ must take place on U.S.-flag carriers/vessels.
- United States law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. The supplier under any award resulting from this RFQ must ensure compliance with these laws.
- The title to any goods supplied under any award resulting from this RFQ shall pass to Chemonics following delivery and acceptance of the goods by Chemonics. Risk of loss, injury, or destruction of the goods shall be borne by the offeror until title passes to Chemonics.
