Background:

The Dutch funded Agricultural TVET (ATVET) is a multi-year project that was designed to provide better formal agricultural education and improve Agriculture education in Afghanistan that will result in improved agricultural performance in Afghanistan. The project aims to contribute to improving agricultural productivity by improving the level of education in Agricultural High schools in Afghanistan.

Needs and requirements:

National Agriculture Education College is looking for a company to rebuild the effected walls and drains of NAEC farm.

NAEC is located at technical compound chalstoon as the area is a mentions (hillside) with high level of slop and mainly effecting by floods and heavy rains, NAEC would like to rebuild the affected areas .

The rebuilding consists in the following area.

1. Construction of wall. (Length around 35 meter Height 300 cm width 35cm)
2. Construction of Drains.
3. Installation of pillars for different types fence.

For more details here bellow are some pictures field.

National Agriculture Education College herewith invites you to visit the site and submit a bid for building of wall , drains and install the pillars for different types of fence in farm area .

Conditions:

- Valid business license
- Sign and Stamp

Payment Terms: NAEC effects payment through normal banking channels, within 15 days against invoice and shipping documents, and subject to receipt of satisfactory inspection report, if required, and acceptance of goods. NAEC will, however, pay only for the goods actually accepted at final destination after inspection at unloading point(s) by an authorized NAEC official

. Letters of credit and advance payments cannot be provided.

3. Please note that the Organization will make payment to the bank account indicated by the selected supplier in its invoice, providing that the bank account is in the name of the supplier and located in the country of residence of the supplier.

Special Requirements and Conditions:

- NAEC reserves the right at its discretion to cancel this solicitation process if and when considered necessary without any obligation to bidders; vendors will be informed accordingly.

- NAEC reserves the right to adjust the required quantities and to make partial awards if considered necessary and/or appropriate.
- Mathematical errors and contradiction on the Financial Offer:
- If there is a contradiction between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will exist/prevail and the total price will be corrected, unless in the opinion of evaluators, there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted will govern and the unit price will be corrected.
- If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals will exist/prevail and the total will be corrected.
- In case of contradiction between a word and figures, the amount in words will prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures will prevail subject to the note above.
-
