Architectural floor plan of a building with a grid system. The plan includes a library, store, cars repairment workshop, Motoor workshop, and Conference Hall. Dimensions are provided for all walls and spaces. A staircase is located between the store and the Motoor workshop. A central corridor is labeled with dimensions 133-100-100-100-133. The grid lines are labeled 1-6 horizontally and A-G vertically.
