

TENDER NOTICE

Project Background:

Local Rights Program (LRP No. 10) is being implemented in Yakawlang District of Bamyan Province for a period of three years by Empowerment Center for Women (ECW) whose first year starts from January 1, 2019 and ends by December 31, 2019 by Empowerment Center for Women (ECW) donated by Action Aid Afghanistan (AAA). This project works to achieve the following four strategic priorities which are as under:

1. Empowerment of women and girls to lead in breaking the cycle of poverty and violence and gain control over economic resources and livelihood options to live a life with dignity
2. Ensuring sustainable food and nutrition security, promoting climate resilient sustainable agriculture and inclusive livelihoods for the people living in poverty and conflict.
3. Building resilience of the right holders to conflicts and disasters and respond to humanitarian issues with people-centered rights-based alternatives, including preparedness, adaptation and prevention.
4. Increasing civic participation and state accountability through youth led advocacy for quality and gender responsive public services and fair distribution of resources.

TENDER REQUEST:

ECW as part of Ensuring sustainable food and nutrition security, promoting climate resilient sustainable agriculture and inclusive livelihoods for the people living in poverty and conflict Strategic Priority in the abovementioned project, provides hive and beekeeping toolkits among the 10 women entrepreneurs in Yakawlang District of Bamyan Province, therefore ECW requests all the bee-keeping and hive cooperatives to submit their **signed and stamped proposals and Quotations for provision of the following items in the letter head of the cooperative (containing logo, proper address and contact number)** no later than June 25, 2019 through the following email or submitted in hard copy to ECW's following address.
