- DRC may choose to split the contract award to more than one supplier.
- The delivery time of the services shall be within one business day of placing the contract. DRC may terminate the contract if supplier fails to deliver the services within this period.
- No advance payment will be paid to the awarded supplier. The awarded supplier is expected to mobilize its own resources to deliver the agreed services.

III. SELECTION AND AWARD CRITERIA

The criteria for awarding contracts resulting from this Tender is based on 'best value for money'. For the purpose of all tenders DRC defines best value for money as:

Best value for money should not be equated with the lowest initial bid option. It requires an integrated assessment of technical, organizational and pricing factors in light of their relative importance (i.e. reliability, quality, experiences, and reputation, past performance, cost/fee realism, delivery time, reasonableness, need for standardization, and other criteria depending on the item to be procured).

For all bids deemed technically compliant as per the specification stipulated in Annex G – Statement of Work, DRC will give a weighted combined technical and financial score. The weighted score will determine the contract award.
