### **IDLO GENERAL TERMS AND CONDITIONS**

#### **FOR THE PROCUREMENT OF GOODS**

Any bid submission will imply the unconditional acceptance of IDLO General Terms and Conditions for the Procurement of Services.

The present General Terms and Conditions for the Procurement of Services (hereinafter referred to as "General Terms and Conditions") set forth the general terms and conditions applicable to the Parties under the Contract.

## **ANNEX-C**

### **IDLO SUPPLIER CODE OF CONDUCT**

## **ANNEX 1 –**

### **IDLO GENERAL TERMS AND CONDITIONS**

#### **FOR THE PROCUREMENT OF GOODS**

#### **GENERAL TERMS AND CONDITIONS FOR THE PROCUREMENT OF GOODS [CONTRACTS]**

The present General Terms and Conditions for the Procurement of Goods (hereinafter referred to as “General Terms and Conditions”) set forth the general terms and conditions applicable to any Contract for Goods and/or Purchase Orders for Goods issued by IDLO.

#### **1. GENERAL STANDARDS OF PERFORMANCE**

The Contractor shall carry out its work with due diligence and efficiency, conform to a high standard of moral and ethical conduct, and exercise such skill and care in the production and delivery of the Goods as is consistent with generally accepted professional standards.

The Contractor shall keep accurate and systematic records of its work.

The Contractor shall promptly furnish IDLO with any such information relating to the Goods as IDLO may from time to time reasonably request.

The Contractor shall neither seek nor accept instructions from any authority external to IDLO in connection with the production or delivery of the Goods.

The Contractor shall refrain from any action which may adversely affect IDLO and shall fulfill its commitments with the fullest regard to the interests of IDLO.

IDLO reserves the right to require original receipts and to audit the Contractor’s accounts and records in the event that it has a good faith reason to believe that the Contractor has acted in violation of the Supplier’s Code of Conduct or applicable law.

#### **2. PERSONNEL**

As the Contractor has legal status independent of IDLO, it shall be responsible for the professional and technical competence of its employees, officials, agents and representatives (hereinafter referred to as the “Contractor’s Personnel”) and/or subcontractors and will select, for work under the Contract, reliable individuals who shall perform effectively in the implementation of this Contract, respect the local customs, and conform to a high standard of moral and ethical conduct.

Should IDLO determine that an individual employed or subcontracted by the Contractor has violated these standards or the terms of the Contract, IDLO shall so inform the Contractor, who will take immediate steps to remove said individual from work under this Contract, without prejudice to its requirement for satisfactory completion of said work.

The Contractor’s Personnel :

Shall comply with all the terms and obligations of the Contract;

Shall not be considered in any respect as being employees, consultants, agents or affiliates of IDLO;

Shall not have any power to commit IDLO in respect of any obligation or expenditure whatsoever;

Shall not be conferred any privilege or immunity that IDLO and its personnel enjoy as an intergovernmental organization;

#### **3. PACKING**

- (a) The Contractor will pack the goods with appropriate materials and with due care, in accordance with the normal commercial standards of export packing for this type of merchandise (i.e. standard commercial practice). Such packing materials used must be adequate to safeguard the goods while in transit.
- (b) The goods shall be packed and marked in a proper manner and in accordance with the instructions stipulated in the contract, any statutory requirements and any requirements of the transporters and manufacturers. In particular the goods shall be marked with the Purchase Order number issued by IDLO (if applicable), the net, gross and tare weights. The name of the contents shall be clearly marked on each container and all containers of hazardous goods (and all documents relating thereto) shall

bear prominent and adequate warnings. A documentation containing, as a minimum, the description of the goods (including accessories and attached spare parts) and its main sub-element, the user manual in English, and the maintenance and repair manual in English, shall also be provided with the goods.

- (c) All packaging materials shall be considered non-returnable and shall be destroyed. IDLO accepts no liability with respect to the failure to deliver to the Contractor's premises any empty package materials returned by IDLO unless the Contractor, within ten days of receiving notice from IDLO that the package materials have been dispatched, notifies IDLO in writing of such failure.
- (d) The Contractor shall be responsible for any damage or loss resulting from faulty or inadequate packing.

#### **4. DELIVERY**

The Contractor shall hand over the goods, and IDLO shall take over the goods, at the address and within the delivery date stipulated in the contract. All manuals, instructions, and any other information relevant to the goods shall be in English, unless otherwise stipulated in the contract. Notwithstanding any term used in this contract, risk of loss, damage to, or destruction of the goods shall be borne by the Contractor until IDLO takes physical delivery of the goods in accordance with the terms of the contract.

#### **5. TRANSPORT AND FREIGHT**

Unless otherwise stipulated, transport arrangements shall be undertaken by the Contractor who shall be responsible for payment of freight and insurance costs of the goods from the Contractor to the delivery address stipulated in the contract.

#### **6. CUSTOMS DECLARATION**

Contractor is responsible for customs clearance into the country of receipt of the goods and if the goods are subject to import duties, a customs declaration (which may also, if necessary, include an import license) shall be provided to the Contractor by IDLO, exempting IDLO from these charges.

#### **7. EXPORT AND IMPORT LICENCES**

- (a) If any export license or any other governmental authorization is required for the export of goods, it shall be the obligation of the Contractor to obtain any such license or governmental authorization. In the event of failure to obtain such a license or authorization within a reasonable time, IDLO may declare the Contract invalid.
- (b) If any import license or any other governmental authorization is required for the import of goods, it shall be the obligation of IDLO to obtain any such license or governmental authorization.

#### **8. DELIVERY AND SUPERVISION**

The Contractor shall provide the Goods at the place specified in the Contract, and within the delivery period stipulated in the Contract.

The Coordinator as defined in the Contract, shall oversee the Contractor's delivery of the Goods and verify that the Contractor carries out the tasks specified in this Contract and in accordance with the Coordinator's specific directions and recommendations over the course of the Contract.

In case of any impediment, which may result in the Contractor not abiding by the terms of the Contract, the Contractor shall immediately notify the Coordinator; such notification shall not release the Contractor from fulfilling its obligations under the Contract. IDLO may, at its discretion, however, accept deviations from the terms of the Contract without prejudice to any other rights and remedies set forth herein.

#### **9. EXAMINATION AND ACCEPTANCE**

Before any payment, with the exception of advance payment if any, IDLO shall examine the Goods. If they are deemed acceptable, IDLO shall proceed with the payment as defined in the Contract. The Contractor shall provide, when applicable and possible, all facilities for any such examination.

If the Contractor incurs costs or expenses because of IDLO's examination on the premises of IDLO, or elsewhere, the Contractor may ask for reimbursement of duly documented and justified costs.

- (a) In case of rejection of the Goods provided, IDLO will communicate the grounds for rejection and timeframe for addressing IDLO's concerns. The Contractor will make every effort to address IDLO's concerns within the given timeframe. A new examination may also be carried out by the representatives of both Parties if promptly requested by the Contractor and before IDLO exercises any legal remedies. The Contractor shall bear the expenses of such an examination.

- (b) The examinations shall be carried out in good faith.
- (c) The sole individual or individuals authorized to accept the Goods provided under this Contract, on behalf of IDLO, are specified in the Contract.

#### **10. PAYMENT**

- (b) The price of the Goods shall be firm for the entire duration of the Contract and as stated in the Contract, and may not be increased, except by the express and written agreement of IDLO.
- (c) IDLO shall not pay any charge for late payment unless this has been expressly agreed to in writing.
- (d) Payment shall not be made for Goods that have not been accepted as provided for in Article 5 of these General Terms and Conditions. Payment alone by IDLO shall not be deemed to be acceptance of Goods.
- (e) Advance payment shall only be made if expressly authorized by IDLO in the Contract and only where normal commercial practice or the interests of IDLO so require.

#### **11. PERFORMANCE SECURITY**

If IDLO so requests in the Contract, the Contractor shall guarantee the due fulfillment of its obligations under the Contract by providing an unconditional and irrevocable bank guarantee serving as Performance Security from an established bank of good standing for an amount corresponding to 10% of the Contract value (exclusive of tax).

#### **12. TAXES**

The Contractor shall be personally responsible for the payment of taxes, charges or other levies, if any, with respect to compensation or other payments received from IDLO.

IDLO maintains a number of bilateral agreements in which countries confer upon IDLO certain privileges and immunities, including tax exemption. The Contractor's price shall be net of any taxes or customs duties that would normally be payable for the Goods or Services in the absence of such exemption. If it is subsequently determined that any taxes and duties from which IDLO is exempted have been included in the price paid by IDLO, the amount of such taxes and duties shall be refunded by the Contractor. In the event that the Contractor's price includes taxes or customs duties for which IDLO is exempt, IDLO may deduct such amount from the Contract price and payment of such corrected amount shall constitute full payment by IDLO. In countries where IDLO is not tax-exempt and where Goods or Services are provided, the price shall include all taxes due by IDLO under the fiscal legislation of such countries.

#### **13. TITLE TO EQUIPMENT SUPPLIED BY IDLO**

Title to any equipment and supplies that may be furnished by IDLO shall rest with IDLO and any such equipment shall be returned to IDLO upon termination of this Contract or when no longer needed by the Contractor. Such equipment, when returned to IDLO shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear. The Contractor shall be liable to compensate IDLO for equipment determined to be damaged or degraded beyond normal wear and tear.

#### **14. COPYRIGHT, PATENTS AND OTHER PROPRIETARY RIGHTS**

The Contractor guarantees that the Services and Goods provided by it are unencumbered by any third party's proprietary rights.

All intellectual property and other proprietary rights including but not limited to patents, copyrights, and trademarks, with regard to the deliverables, products or documents and other materials which bear a direct relation to or are produced or prepared or collected in consequence of or in the course of the execution of this Contract, shall belong exclusively to IDLO. - (c) The Contractor shall be liable for any breach of confidentiality or any indirect disclosure that could harm the interests of IDLO. The extent of any such liability shall be directly proportional to the extent of the damage caused.
- (d) All maps, drawings, photographs, mosaics, plans, reports, recommendations, estimates, documents and all other data compiled by or received by the Contractor under this Contract shall be the property of IDLO, shall be treated as confidential, and shall be returned and/or delivered only to authorized IDLO officials in completion of work under this Contract.
