**INTRODUCTION TO UNHCR**

The Office of the United Nations High Commissioner for Refugees (UNHCR) was established on December 14, 1950 by the United Nations General Assembly. The agency is mandated to lead and co-ordinate international action to protect refugees and resolve refugee problems worldwide. Its primary purpose is to safeguard the rights and well-being of refugees. It also has a mandate to help stateless people.

In more than six decades, the agency has helped tens of millions of people restart their lives. Today, a staff of some 10,750 people in more than 128 countries continues to help about 34 million persons. To help and protect some of the world's most vulnerable people in so many places and types of environment, UNHCR must purchase goods and services worldwide. For further information on UNHCR, its mandate and operations please see <http://www.unhcr.org>.

**1. REQUIREMENTS**

The Office of the United Nations High Commissioner for Refugees (UNHCR) in Kabul invites qualified suppliers duly registered with the Government of Afghanistan to make a firm offer for the establishment of Frame Agreement(s) for the supply and delivery of **toilet and laundry soap as per the attached Annex A** (referred to hereinafter as **goods**).

UNHCR may award Frame Agreement(s) with initial duration of two (2) years, potentially extendable for a further period of one (1) year. The successful bidders will be requested to maintain their quoted price model for the duration of the Frame Agreement(s).

The estimated monthly requirement of UNHCR is indicated in the attached **Annex A**. Please note that figures have been stated in order to enable bidders to have an indication of the projected requirements. It does not represent a commitment that UNHCR will purchase the above quantity. Quantities may vary and will depend on the actual requirements and funds available regulated by issuance of individual Purchase Orders against the Frame Agreement.

Other United Nations Agencies, Funds and Programmes shall be entitled to the same prices and terms as those contained in the offers of the successful bidders and could form the basis for a Frame Agreement with other UN Agencies
