DESCRIPTION OF REQUIREMENTS

United Nations Office at Nairobi (UNON) on behalf of the United Nations Human Settlements Programme (UN-Habitat) Kabul, Afghanistan, hereby invites qualified firms to submit an Expression of Interest (EOI) to participate in the upcoming competitive bidding exercise for fabrication, delivery and installation of Property Plates for Street Address in Bamyán City, Nili, Mazar-e-Sharif and Balkh (within Municipality boundaries only).

Background

The Afghanistan Street Addressing Project is being implemented by the Deputy Ministry of Municipalities in eleven municipalities in Afghanistan with technical support from UN-Habitat as part of the broader City for All programme. Street addressing is an exercise that makes it possible to identify the location of a plot or dwelling on the ground, that is to “assign an address” using a system of maps and signs that give numbers or names of streets and buildings. Street addressing has several objectives: it makes the city more “user-friendly” by allowing people to navigate through the city more easily and facilitating delivery of emergency health, fire and police services. The expected outputs of the project are: installation of street signs on all streets and installation of property plates on all properties in the target municipalities.

In this regard, UN-Habitat seeks to engage a contractor for Property Plates in Bamyán City, Nili, Mazar-e-Sharif and Balkh (within municipality boundaries only)

The scope of work includes; but not limited to the following works:

•Fabrication, delivery and installation of 126,006 property plates (1mm thick iron property plate, 240mm x 140mm in dimension; with 140gr printed technology sticker)

NOTE: Additional details, specifications and terms of reference shall be provided in the tender document to be issued subsequent to this EOI.
