Accordingly, the Contracting Officer must check the US Department of the Treasury's OFAC List to ensure that the names of the Contractor and proposed subcontractors (and individuals from those organizations who have been made known to them), are not on the list. This provision must be included in all subcontracts/sub awards issued under this Contract.

The Vendor shall include this clause in all subcontracts, and shall require subcontractors to include this clause in all lower-tier subcontracts. The Vendor shall be responsible for compliance with this clause by all subcontracts and lower-tier subcontractors.

### **20. Executive Order on Terrorism Financing**

The Contractor is reminded that U.S. Executive Orders (including E.O. 13224) and U.S. law prohibit transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. FAR 25.701 prohibits agencies and their contractors and subcontractors from acquiring any supplies or services from individuals or organizations, if any proclamation, Executive Order, Office of Foreign Assets Control (OFAC) regulations, or statute administered by OFAC would prohibit such a transaction. Accordingly, the Contracting Officer must check the U.S. Department of the Treasury's OFAC List to ensure that the names of the Contractor and proposed subcontractors (and individuals from those organizations who have been made known to them),

are not on the list. Mandatory FAR clause 52.225-13 Restrictions on Certain Foreign Purchases is included by reference in Section I.1 of this contract.

By accepting the contract, the Contractor acknowledges and agrees that it is aware of the list as part of its compliance with the requirements of that clause. This clause must be included in all subcontracts/sub-awards issued under the contract.

## **21. Subcontracting Requirements (JAN 2012)**

(a) Applicability: This section limits the number of tiers of sub-contracts to one tiers below the Vendor. The Vendor must not allow lower-tier subcontracts without the express written approval DAI. Should exceptional circumstances warrant subcontracting below one tier, the Vendor shall promptly request approval in writing from DAI. The Vendor shall include this clause in all subcontracts, and shall require subcontractors to include this clause in all lower-tier subcontracts. The Vendor shall be responsible for compliance with this clause by all subcontractors and lower-tier subcontractors.
