

Request for Proposal for Vocational Training Services

WORLD VISION AFGHANISTAN

Background:

World Vision (WV) is an international non-profit organization with an active presence in 120 countries around the world. The goal of this organization is to provide humanitarian assistance to vulnerable communities with a focus on children. World Vision Afghanistan (WVA), a subsidiary organization, began its work Herat, Afghanistan in 2001. Since then, this organization has been providing health, livelihood, agriculture and educational services to the people of in the Western provinces of Afghanistan namely Herat, Badghis and Ghor. The call and aspiration of World Vision Afghanistan is to inspire hope and create a better future for Afghan children and their communities within the areas targeted by its programs.

The purpose:

WVA under several livelihood projects seeks to socially and economically empower 2350 vulnerable families in Herat, Afghanistan to improve their standard of living, better provide for the children in their care through provision of vocational skills and diversified livelihood opportunities. The overall purpose of the projects is to build the resilience of vulnerable families in coping with lost income and future economic shocks through the provision of vocational training programmes, linking them to suitable livelihood opportunities through job facilitation and employment services. This in turn will enable them to increase their family income and ultimately be able to sustain their children's right to education and nutritious food.

With funding from World Vision Hong Kong, World Vision Canada, World Vision Afghanistan is implementing a project aimed at increasing employment and income generation opportunities for caregivers of street working children in Herat District through enhancing their employability skills and capacities. In order to support vulnerable families in addressing their economic needs, WVA will offer a range of livelihoods services that will improve beneficiaries' access to livelihoods opportunities, based on their households needs.

Specific Objective:

WVA will hire a vocational training service provider to provide practical skills training, business skills and workforce efficiencies development for a minimum of 300-500 individuals under several livelihood projects. The service provider must be able to provide a) life and soft- skills, b) business management training as well c) Vocational Trainings, which include:

1. House electric wiring
2. Plumbing (water and gas)
3. Refrigeration and Air conditioning Repair
4. Bag-making
5. Motorbike repair and maintenance
6. Hairdressing for women
7. Food and fruit processing
8. Intermediate and Advanced Tailoring
9. MDF Carpentry

In addition to vocational training, the TVET service provider is expected to include literacy & numeracy as well as marketing courses in the curricula. After the trainings, beneficiaries should receive a recognised certificate, endorsed by the Ministry of Ministry of Labour and Social Affair / MoLSA or any recommended GoA institutions and a toolkit corresponding the vocation worth 50 USD as well as the transportation fee.

It is worth mentioning that beneficiaries are coming from Meldon, Payeenow, Hindusoozi, Darb-e-Kandahar and Shalbafan and 4 villages of Gozara and Injil Districts (Kala Gerd, Kol Mazar, Bonyan and Sar Kaal).

Duration

The implementation will start on 01 January 2019 and will finish on 30 June 2019.

Location

The training centre must be based in the Herat city.
