## **BLANKET PURCHASE AGREEMENT (BPA)**

### **INTRODUCING THE BPA**

1. A Blanket Purchase Agreement, or BPA, is a simplified method of filling anticipated repetitive needs for supplies or services by establishing "charge accounts" with qualified sources of supply. BPA's are designed to reduce administrative costs in accomplishing small purchases by eliminating the need for issuing individual purchase documents. In other words, Tetra Tech uses BPA's when we know we will need a basic requirement over and over but can't say for sure when or how many of the items will be required.
2. A BPA is an agreement between Tetra Tech and the Service Provider which sets the stage for us to buy something quickly. All of the conditions of sale are negotiated when the BPA is initially established, so the Service Provider knows up front the kind of item we will be buying, and we know how much it's going to cost us for each item we buy.
3. BPA's are often "decentralized" and that is when the Admin/Facilities Manager comes into the picture. As a Admin/Facilities Manager for Tetra Tech, they determine the necessary requirements, and place the call to the Service Provider to request delivery of these specific items.

### **Scope of Work/Specifications**

#### **Description of Goods/Commodities or Services**

discretion to (1) reject the equipment and or services and return them at Service Provider's expense, the equipment to be replaced by Service Provider on demand, or (2) correct or modify the equipment as required, the costs of such corrections or modifications being for Service Provider's account, or (3) allow Service Provider to enter onto the property of Tetra Tech or of another to correct or modify the equipment as required at Service Provider's expense. Any costs of transportation, shipping, unpacking, examining, repacking, reshipping, and like expenses shall be charged to Service Provider.

Service Provider further warrants that all goods and services delivered or provided hereunder comply with requirements of all applicable laws and regulations. This warranty shall survive any inspection, delivery, or acceptance of the goods and services or payment therefore by Tetra Tech.

#### **14.0 REMEDIES/WAIVER**

If the Service Provider fails to timely perform his obligations under this order, Tetra Tech reserves the right to terminate this Order for default and purchase the goods or services elsewhere. If any goods or services covered by this Order are defective or non-conforming or fail to meet applicable warranties ("Defective Material"), Tetra Tech may, by written notice to the Service Provider: (a) terminate this Order for default; (b) accept the defective material at an equitable reduction in price; or (c) reject the Defective Material and (i) require the delivery of suitable replacements or re-performance of services or (ii) repair such material, perform such services or purchase the Defective Material elsewhere. Tetra Tech may hold Service Provider accountable for any additional cost or damages incurred by Tetra Tech. All Defective Materials replaced or re-performed by Service Provider are subject to these Terms to same extent as items initially furnished or originally ordered. This warranty provision shall survive any inspection, delivery, acceptance, payment, expiration or earlier termination of this order and such warranties shall run to Tetra Tech, its successors, assigns, employees, students, and users of the goods or services. Rights and remedies of Tetra Tech hereunder are cumulative and in addition to those which Tetra Tech has under law and equity. Any waiver by Tetra Tech of any particular breach or default hereunder by Service Provider shall not constitute a continuing waiver or a waiver of any other breach or default. Approval by Tetra Tech of Service Provider's proposed design, test plans, and/or procedures and manufacturing process, methods, tooling, or facilities shall not relieve Service Provider from meeting all requirements of this Order.

#### **15.0 TERMINATION FOR NON-PERFORMANCE OR BREACH**

Time is of the essence in all deliveries and other performance hereunder. In addition to other remedies it may have including the right to collect damages, Tetra Tech reserves the right to terminate all further performance of this Blanket Purchase Agreement if the Service Provider does not perform as specified in the Blanket Purchase Agreement or if the Service Provider breaches any of the terms contained herein. Tetra Tech reserves the right to terminate this Blanket Purchase Agreement in part or in whole by providing ten (10) days written notice to the Service Provider. Tetra Tech may also terminate the Blanket Purchase Agreement in the event of insolvency of the Service Provider, the filing of a voluntary petition to have Service Provider declared bankrupt (provided it is not vacated within thirty (30) days of filing), the appointment of a receiver or trustee for Service Provider (provided it is not vacated within thirty (30) days of its date), or the execution by Service Provider of an assignment for the benefit of creditors.

In the event of termination, Tetra Tech shall be liable for (a) the price of any items on this Order previously accepted by Tetra Tech, and (b) reasonable costs incurred by Service

Provider for labor and materials for work in process and finished conforming material. Such costs will not exceed the cost of the goods ordered. Tetra Tech may elect to take possession of work in process and finished conforming material.

#### **16.0 TERMINATION FOR CONVENIENCE**

Tetra Tech may terminate and cancel in whole or in part the Service Provider's further performance and Tetra Tech's obligations at any time by notice to Service Provider confirmed in writing. In the event of receipt of written notice of termination, Service Provider shall immediately transfer and deliver to Tetra Tech free of any liens and encumbrances any goods or portion thereof completed or in process. In the event of termination for convenience, Service Provider shall be entitled to an amount which bears the same proportion of the total price determined as of the date of termination as the conforming items reasonably accepted by Tetra Tech following the notice of termination. To the extent this Blanket Purchase Agreement calls for items which are to be specially fabricated to Tetra Tech's order, Service Provider shall only be entitled to an equitable amount to cover its direct costs reasonably expended or committed to third parties prior to termination and Service Provider's reasonable costs for prompt orderly termination (less salvage value and amounts, recoverable by Service Provider). If Tetra Tech incorrectly and in good faith terminates Service Provider for breach, such shall be deemed to be a termination for convenience by Tetra Tech and payment shall be made in accordance with this paragraph. In no event shall Tetra Tech's liability or Service Provider's recovery under or with respect to any termination of this Blanket Purchase Agreement exceed the Blanket Purchase Agreement Supply Order price as determined at the time of the termination or breach. This section shall not be construed as limiting any other rights or remedies available to Tetra Tech. TetraTech reserves the right to terminate this contract without assigning any reason.

#### **17.0 PATENTS**

Service Provider warrants that the use or sales of the services delivered hereunder will not infringe upon the claims of any patent. Service Provider agrees to defend at its sole expense all suits based upon any alleged patent infringement and to hold Tetra Tech harmless from any damages resulting therefrom.

#### **18.0 ASSIGNMENT**

Service Provider shall not assign this Blanket Purchase Agreement, nor any monies due or to become due hereunder, without Tetra Tech's prior written consent. Tetra Tech may assign this Blanket Purchase Agreement or any obligations hereunder to any of its affiliates, successors in interest or customers upon giving written notice to the Service Provider.

#### **19.0 COMPLIANCE WITH LAWS**

Service Provider warrants that it will comply with all applicable laws, regulations and policies or other applicable provisions.

#### **20.0 INDEMNIFICATION**

To the extent permitted by the applicable law, Service Provider agrees to defend Tetra Tech against all claims and suits, and to indemnify and save it harmless from any expense, loss or damage, (1) resulting from actual or alleged infringement of a patent or trade secret, (2) arising out of any act or omission of Service Provider or its employees in entering onto the property of Tetra Tech or of another to install, service or modify materials supplied by Service Provider or others, (3) arising out of breach by Service Provider of any of the warranties contained herein, or (4) resulting from the Service Provider's failure to pay any of its suppliers or Service

Providers. Service Provider shall appear, after notice and defend at its own expense any suits or other proceedings against Tetra Tech, its successors, assigns, customers and users of its products, in which the services for which the Service Provider has given Tetra Tech indemnification are alleged.

## **21.0 CONFIDENTIALITY**

All provisions and understandings, specifications and information contained in this Blanket Purchase Agreements are and shall remain confidential property of Tetra Tech. Service Provider shall make no use whatsoever of them except in performing this Agreement and shall not disclose any confidential information to any third party except to the extent necessary in performing this order. All such items shall be held at Service Provider's risk and shall be returned to Tetra Tech upon completion of the Blanket Purchase Agreement Supply Order if Tetra Tech so requests.

## **22.0 TETRA TECH REQUIREMENTS**

Service Provider will ensure that its employees, agents, or designees, when in or upon Tetra Tech's premises, shall obey all ethics and business conduct, workplace health, safety and security rules and regulations established by Tetra Tech, regarding the conduct of its own employees and any additional rules and regulations established by Tetra Tech for non-employees, including without limitation, security rules, and regulations.

## **23.0 GOVERNING LAW**

This Order and the acceptance thereof shall constitute a valid, binding, and enforceable contract governed by the laws of the State of Maryland and Local law, without regard to its principles of conflicts of law.

## **24.0 GENERAL**

If any clause of this Order is held as a matter of law to be unenforceable or unconscionable, the remainder of this Order shall be enforceable without such clause. This Order supersedes and replaces any previous documents, correspondence, conversations, or other oral or written understandings between Tetra Tech and Service Provider related to the subject hereof. This Order cannot be amended, changed, or modified in any respect unless each such, amendment, change, or modification shall have been agreed upon in writing, signed and delivered by each party hereto.

## **25.0 EXCLUSION OF DAMAGES**

Tetra Tech shall not be liable for any consequential, punitive, exemplary, special or other indirect damages, in contract, tort or otherwise in any action arising out of this Order. Tetra Tech will not be liable for any amount in excess of the amounts paid to Service Provider hereunder.

## **26.0 FOREIGN CORRUPT PRACTICES ACT COMPLIANCE**

The parties acknowledge the application and importance of the United States Foreign Corrupt Practices Act of 1977, as amended (the "Act"), with respect to the business opportunities sought by Service Provider / Intermediary for the benefit of Tetra Tech. Each party hereto desires to rely on full compliance with the Act by the other party hereto and its agents and representatives. In conformity with the Act, and with each party's established policies regarding business practices, Tetra Tech, the Service Provider / Intermediary and their respective affiliates, officers, directors, agents and employees shall not directly or indirectly make an offer, payment, promise to pay, or authorize payment, or offer as a gift, promise to

give, or authorize the giving of anything of value (whether in money, property, or services) to any person (whether directly or indirectly through a family member or any entity in which an employee or family member holds an interest or is affiliated, or otherwise), private or public, regardless of form for the purpose of influencing an act of decision (including a decision not to act) of an official of any government or of an employee of any company or inducing such a person to use his or her influence to affect any such act of decision in order (i) to assist Tetra Tech in obtaining, retaining or directing any business, (ii) to pay for favorable treatment for business secured, (iii) to obtain special concessions or for special concessions already obtained, for or in respect of the business or Tetra Tech, or (iv) in violation of any legal requirement of any governmental or regulatory body or any applicable order thereof. Each party shall hold the other harmless from and against the consequences of a violation of this paragraph by the acting party.

#### **27.0 OTHER CLAUSES INCORPORATED BY REFERENCE**

All written, printed, stamped or electronic matter, documents, drawings or files attached or referred to in this Blanket Purchase Agreement shall be incorporated by reference and shall be a part hereof.

## **See Appendix A. General Provisions**

This Blanket Purchase Agreement (“order”) is an offer made by Engineering Support Program or its subsidiaries and affiliates (collectively, “Tetra Tech”) to purchase goods or services on these terms and conditions, as may be modified by varying terms printed on the face of this order (collectively, “terms”). Any attachments referred to in this order are hereby incorporated herein by reference. When specified by Tetra Tech, Service Provider shall comply with the geographic code requirements as set forth by the client. ## **APPENDIX A GENERAL PROVISIONS**

### **USAID/AFGHANISTAN SUB-AWARD REQUIREMENTS (APRIL 2016)**

A. Applicability: This section limits the number of tiers of sub-awards to two tiers below the Contractor for all awards. The Contractor must not allow third-tier sub-awards without the express written approval of the Contracting Officer.

B. Definitions: The term "award" in this clause refers to the direct award between USAID and the Contractor. A "first-tier sub-award" is a direct award between the Contractor and a sub-awardee (the "first-tier sub-awardee"). A "second-tier sub-award" is a direct award between the first-tier sub-awardee and its sub-awardee (the "second-tier sub-awardee").

C. USAID's objective is to promote, to the extent practicable, competitive, transparent, and appropriate local sub-awards with legitimate and competent local organizations. The Contractor must ensure that all sub-awardees at any tier are actively engaged in the performance of sub-awarded work. The Contractor must ensure that sub-awardees do not engage in "brokering" or "flipping" their sub-awards under this award and that all sub-awardees at any tier self-perform appropriate portions of the work. "Brokering" or "flipping" is the practice of a sub-awardee receiving a sub-award and either selling such sub-award or not performing a significant percentage of the work with the sub-awardee's own organization.

D. Should exceptional circumstances warrant sub-awards below two tiers, the Contractor must promptly request approval in writing from the Contracting Officer, which for subcontracts must be done in accordance with a request under FAR 44, provided that the additional information set forth in paragraph E. below is also provided.

E. A Contractor's written request for approval to allow sub-awardees below the second tier will include the following information:

- (i) Sub-award number and title (or a general description of the sub-award work) of the existing sub-award;
- (ii) Detailed explanation regarding why the work to be performed by the lower-tier sub-awardee cannot be performed by the prime or the two levels of sub-awardees.
- (iii) The total value of the work and total value of the work to be self-performed by the existing sub-awardee.

F. For purposes of calculating tiers, the following will not be considered a tier:

- (i) subsidiaries of the awardee;
- (ii) members of a joint-venture, provided the joint venture is either the awardee or otherwise a "tier" hereunder;
- (iii) employment awards for a single individual, provided that such individual issues no further sub-awards;
- (iv) suppliers/service providers for component parts for a sub-award issued for finished commodities purchased on the market. Only the sub-awardee supplying the finished commodity will be considered a "tier" for purposes of this clause;
- (v) suppliers of administrative or professional services incidental to the completion of the award nor their sub-awardees, such as legal or financial services, provided such suppliers or their sub-awardees do not perform substantive work related to the award.

**USAID/AFGHANISTAN USE OF SYNCHRONIZED PRE-DEPLOYMENT AND OPERATIONAL TRACKER (SPOT) FOR CONTRACTORS SUPPORTING A DIPLOMATIC OR CONSULAR MISSION OUTSIDE THE UNITED STATES (SUPPLEMENT TO FAR 52.225-19)**

In accordance with paragraph (g) Personnel Data, of FAR clause 52.225-19 "Contractor Personnel in a Designated Operational Area of Supporting a Diplomatic or Consular Mission Outside the United States (MAR 2008)," the Contracting Officer hereby identifies DoD's Synchronized Pre-deployment and Operational Tracker (SPOT) as the required system to use for this contract in Afghanistan. In accordance with Section 861 of the FY08 National Defense Authorization Act (FY08 NDAA), P.L. 110-181, USAID and the Departments of Defense (DOD) and State (DOS) have entered into a Memorandum of Understanding (MOU) under which USAID has agreed to establish a common database including information on contractors and Contractor personnel performing work in Afghanistan. The MOU identifies SPOT as the common database to serve as the repository for this information. Information with regard to Afghan nationals will be entered under procedures provided separately by the Contracting Officer.

All Contractor personnel must be accounted for in SPOT. Those requiring SPOT-generated Letters of Authorization (LOAs) must be entered into SPOT before being deployed to Afghanistan. If individuals requiring LOAs are already in Afghanistan at the time the Contractor engages them or at the time of contract award, the Contractor must immediately enter into SPOT each individual upon his or her becoming an employee or consultant under the contract.

Contract performance may require the use of armed private security Contractor personnel (PSCs). PSCs will be individually registered in SPOT. Personnel that do not require LOAs will still be required to be entered into SPOT for reporting purposes, either individually or using an aggregate tally methodology. Procedures for using SPOT are available at <http://www.dod.mil/bta/products/spot.html>. Further guidance may be obtained from the Contracting Officer's Representative or the Contracting Officer.

**USAID/AFGHANISTAN COMPLIANCE WITH ADS 206 PROHIBITION OF ASSISTANCE TO DRUG TRAFFICKERS (DECEMBER 2016)**

USAID reserves the right to terminate this contract, to demand a refund or take other appropriate measures, if the Contractor has been convicted of a narcotics offense or has been engaged in drug trafficking as defined in 22 CFR Part 140.

**USAID/AFGHANISTAN COMPLIANCE WITH EXECUTIVE ORDER 13559 FACILITIES USED FOR RELIGIOUS ACTIVITIES (FEBRUARY 2016)**

Unless otherwise authorized in writing by the Contracting Officer, the Contractor must not use funds for any work related to facilities of any type where the intended use of such a facility is for explicitly religious activities. In cases where work addressed by this provision is authorized by the Contracting Officer, such authorization will be limited and explicit.

**RESTRICTIONS AGAINST DISCLOSURE**

The Contractor agrees, in the performance of this contract, to keep the information furnished by the Government or acquired/developed by the Contractor in performance of the contract and designated by the Contracting Officer or Contracting Officer's Representative, in the strictest confidence. The Contractor also agrees not to publish or otherwise divulge such information, in whole

or in part, in any manner or form, nor to authorize or permit others to do so, taking such reasonable measures as are necessary to restrict access to such information while in the Contractor's possession, to those employees needing such information to perform the work described herein, i.e., on a "need to- know" basis. The Contractor agrees to immediately notify the Contracting Officer in writing in the event that the Contractor determines or has reason to suspect a breach of this requirement has occurred.

(b) All Contractor staff working on any of the described tasks may, at Government request, be required to sign formal non-disclosure and/or conflict of interest agreements to guarantee the protection and integrity of Government information and documents.

(c) The Contractor shall insert the substance of this special contract requirement, including this paragraph (c), in all subcontracts when requiring a restriction on the release of information developed or obtained in connection with performance of the contract.

## **52-252-2 CLAUSES INCORPORATED BY REFERENCE (FEB 1998)**

This Blanket Purchase Agreement incorporates clauses by reference with the same force and effect as if they were given in full text. Upon request, Tetra Tech will make the full text and clauses available to the Service Provider.
