Attachment F: Terms and Conditions (ToC)

TERMS AND PROVISIONS

- 1) **AGREEMENT AND CONDITIONS** - This order and documents specifically incorporated herein by reference contain all the agreements and conditions made between Creative and Subcontractor and supersede and replace all other agreements between Creative and Subcontractor. It may be modified in writing only, signed by the parties hereto.
- 2) **COMPLETE AGREEMENT** - This order, including any supplemental sheets, schedules, exhibits, and riders annexed by Creative hereto, contains the complete and entire agreement between parties, superseding any previous communications, representations, or agreements, whether verbal or written, with respect to the subject matter hereof.
- 3) **ACCEPTANCE** - Unless otherwise provided herein, Subcontractor's acknowledgment of this order or commencement of any work or performance of any services hereunder shall constitute acceptance by Subcontractor of this order and all of its terms and conditions. No term or condition stated by Subcontractor in acknowledging or otherwise accepting this order shall be binding upon Creative unless specifically accepted in writing by Creative. Any objection by Subcontractor will be ineffective unless Creative is advised in writing thereof within 10 days of the order.

LIQUIDATED DAMAGES –

If the provider fails, under his own responsibility, to deliver any or all the goods or perform the services within the time limit of 50 days, Creative shall, without formal notice deduct 5% of the total POA value for each 1 to 7 day period of delay, to a maximum of 15% of the total value of the contract. The assessment of this delinquent performance penalty in no way negates, waives or otherwise disadvantages any other right Creative might have for delayed delivery. Time is of the essence.

4)

5) **SUBCONTRACTS** - Not Applicable.

6) **ASSIGNMENT** - Subcontractor will not assign this order or any rights thereunder or any monies due or to become due thereunder without the prior written consent of Creative, and no purported assignments by Subcontractor shall be binding on Creative without its written consent thereto.

- 7) INDEMNIFICATION** - It is expressly understood that the Subcontractor shall hold Creative harmless and indemnify it in respect to any loss or claim that may arise by virtue of, on the Subcontractor's part, any professional misconduct, breach of trust, illegal acts or acts contrary to the applicable Government statutes. The Subcontractor, Creative, and the U.S. Government, if applicable, shall be mutually relieved from any liability as a result of the onset of a force majeure condition.
- 8) GOVERNING LAW AND LANGUAGE** - This Purchase Order Agreement is governed by the laws of the Government of The United States of America. All notices pursuant to the provisions of this Purchase Order Agreement shall be in English.
- 9) INDEPENDENT CONTRACTOR STATUS** - This Agreement is made with Subcontractor as an independent contractor and not as an employee of Creative. Creative hereby retains Subcontractor and Subcontractor agrees to perform professional services for Creative.
- 10) COPYRIGHTS** - Subcontractor agrees that all copyrightable material produced by Subcontractor under this Purchase Order shall be a work for hire and, as such, the sole property of Creative. Creative shall have exclusive rights to reproduce such materials in any country or countries.
- 11) PATENTS** - Subcontractor guarantees that the sale and use of each and all articles and things now or hereafter delivered hereunder will not infringe any patent or copyright; that Subcontractor will, at its own expense, defend any action, suit, or claim or assist in defense thereof, including any brought against the U.S. Government, in which an infringement of any patent or copyright is alleged with respect to the sale or use of such articles or things; and that Subcontractor will indemnify and save harmless Creative and its customers and uses, including the U.S. Government, from any and all losses, costs, and damage for infringement or alleged infringement of any patent or copyright because of the sale or use of such articles or things.
- 12) PATENT RIGHTS** - Subcontractor will disclose promptly to Creative all ideas, inventions, discoveries, and improvements, hereinafter referred to as "Subject Inventions", whether or not patentable, relating to the work hereunder that are in the performance of its work under this Purchase Order. Subcontractor agrees to keep a written record of its technical activities and that all such records and such Subject Inventions shall become the sole property of Creative. During or subsequent to the period of this Purchase Order, Subcontractor will execute and deliver to Creative all such documents and take such other actions as may be reasonably required by Creative to assist it in obtaining patents and vesting in Creative, or its designee, title to said Subject Inventions.

- 13) PROPRIETARY** - Subcontractor agrees that all information disclosed, obtained, or discovered by Subcontractor or its representatives from, but not limited to, drawings, prints, publications, specifications, processes, manufacturing techniques, verbal explanations, schedules and the like, as a result of this order, are received in confidence and are the proprietary property of Creative, and that such information shall not be reproduced or used by Subcontractor or transmitted or disclosed to any person or organization by Subcontractor, without the prior written consent of Creative, provided, however, that upon prior written notice to Creative, Subcontractor shall have the right to use such information in the manufacture of end items for direct sale to the U.S. Government to the extent the U.S. Government has the right to authorize such use by Subcontractor, and further provided that Subcontractor identifies to Creative the information to be used, and to the extent practicable prominently identifies each such end item as being manufactured by the Subcontractor for direct sale to the U.S. Government.
- 14) WAIVER** - The failure of Creative in any one or more instances to insist upon performance of any of the terms or conditions or this order, or to exercise any right or privilege in this order contained, or the waiver of any breach of the terms or conditions of this order shall not be construed as thereafter waiving any such terms, conditions, rights, or privileges, and the same will continue and remain in force and effect as if no waiver had occurred.
- 15) CREATIVE'S PROPERTY** - If Creative furnishes material or special dies, molds, jigs, or tools, title thereto shall remain with Creative, and Subcontractor shall dispose of or credit scrap and unused material and such special dies, molds, jigs, and tools as Creative may direct. Creative does not require Subcontractor to carry any insurance on any such property furnished by Creative, and Subcontractor will not include insurance cost therefore in the price under this order. If the cost of special dies, molds, jigs or tools involved in the manufacture of supplies covered by this order is amortized or included in the price hereunder, the same shall become the property of Creative under completion or termination of this order and will be disposed of as Creative may direct.
- 16) RISK OF LOSS** - Subcontractor will bear all risk of loss on supplies called for by this order until final acceptance by Creative, or its customer at destination, unless otherwise specified in this order, except for loss occasioned by gross negligence of Creative or its customer. Subcontractor also assumes all risk of personal injury, and all risk of damage to or loss of personal property furnished by it.
- 17) LIABILITY FOR INJURY** - Subcontractor agrees to be responsible for, and to indemnify and save harmless, Creative and its employees and customers from any and all injury,

death, damage, and loss to persons or property arising from or incident to the work to be performed by Subcontractor pursuant to the order, whether performed on the premises of Subcontractor or Creative or elsewhere. Subcontractor agrees to carry and maintain insurance coverages satisfactory to Creative to cover the above and upon Creative's request, to furnish to Creative certificates or other appropriate evidence of such insurance.

18) LIEN WAIVERS - If the furnishing of any labor or material pursuant to this order could give rise to any liens or lien rights against any premises of Creative or its customers, Subcontractor agrees to furnish, upon Creative's request at any time or times, good and sufficient lien waivers by Subcontractor and all other persons furnishing any such labor or material at Subcontractor's insistence or request.

19) NOTICE OF LABOR DISPUTES - Whenever an actual or potential labor dispute is delaying or threatens to delay the timely performance of this order, Subcontractor shall immediately give notice thereof to Creative. Such notice shall include all relevant information with respect to such dispute.

20) PRICE AND DELIVERY - Subcontractor shall furnish the supplies and services called for by this order in accordance with the price(s) and delivery schedule stated herein.

21) INSPECTION - All supplies and services will be subject to inspection and test by Creative, its customers, higher tier contractors, and the U.S. Government, at all times and places, as such parties may require. Subcontractor shall provide without additional charge all reasonable facilities and assistance for the safety and convenience of the foregoing parties in performance of such inspections and tests. In case any supplies or services are defective in material workmanship or otherwise not in conformity with the requirements of this order, Creative will, in addition to any other rights, have the right to: (i) reject same and rescind the order as to the rejected supplies or services; (ii) reject same and require the correction thereof by the Subcontractor; or (iii) accept same and deduct from the amount due Subcontractor the cost of remedying such defect. If Creative elects the foregoing (ii), Subcontractor will promptly replace same with supplies or services acceptable to Creative in accordance with Creative's instructions at no expense to Creative. If Subcontractor fails to replace or correct promptly such supplies or services in accordance with Creative's instructions, Creative may (i) by contract or otherwise replace or correct such supplies or services and charge Subcontractor the cost occasioned Creative thereby, or (ii) terminate this purchase order for default in accordance with the clause hereof entitled "Termination". Notification of prior rejection will be submitted with replacement of such rejected supplies and services. Final inspection and acceptance will be made by Creative or its customers at destination unless otherwise specified in this order. Subcontractor will

provide and maintain an inspection system acceptable to Creative. Records of all inspection work by Subcontractor shall be kept complete and available to Creative during the performance of this order and for such longer period as Creative determines. No inspection (including source inspection, tests, approval including design approval), or acceptance by any of the foregoing parties shall relieve Subcontractor from responsibility for all defects or other failure to meet the requirements of this order or from any warranties. Rights hereunder are cumulative and in addition to any other rights or remedies provided in this order or in law of equity.

22) WARRANTY - Unless otherwise agreed to in writing by the parties, Subcontractor warrants that articles ordered to specifications will conform thereto and to any drawing, samples, or other description furnished or adopted by Creative, or if not ordered to specifications, will be fit and sufficient for the purpose intended, and that all articles will be merchantable, of good material and workmanship, and free from defect. Such warranties, together with Subcontractor's service warranties and guarantees, if any, shall survive inspection, test, acceptance of, and payment for the articles, and shall run to Creative, its successors, assigns, and customers. Except for latent defects, fraud, or such gross mistakes of Subcontractor as to amount to fraud, notice of any defect or nonconformity must be given by the Creative to the Subcontractor within six (6) months after delivery, or six (6) months after receipt of satisfactory qualification inspection reports, if required hereunder, whichever is later. Creative may, at its option, either return for credit or refund or require prompt correction or replacement of the defective or nonconforming article or part thereof. Return to Subcontractor of any defective or nonconforming article and delivery to Creative of any corrected or replaced articles will be at Subcontractor's expense. Defective or nonconforming articles will not be corrected or replaced unless specified on Creative's written order. Articles required to be corrected or replaced will be subject to the provision of this clause and the clause hereof entitled "Inspection" in the same manner and to the same extent as articles originally delivered under this order, but only as to the corrected or replaced part or parts thereof.

23) PRICE WARRANTY - Subcontractor warrants that the prices of the items set forth herein do not exceed those charged by Subcontractor to any other customers purchasing the same items in like or smaller quantities.

24) PACKING AND SHIPPING - Unless otherwise provided herein, no extra charge will be made by Subcontractor for containers, crating, boxing, bundling, dunnage, drayage, storage, or other packing requirements. All supplies will be packed, packaged, marked, and otherwise prepared for shipment in accordance with sound commercial practice to meet requirements for obtaining lowest transportation rates, or as otherwise specified herein. Subcontractor shall mark containers or packages with necessary lifting, loading, and shipping information, order number(s), account number, date of shipments, and

names and addresses of consignor and consignee. An itemized packaging sheet must accompany each shipment unless otherwise specified.

25) DUAL EMPLOYMENT - If Subcontractor is performing work under this Purchase Order while on annual leave or compensatory time from an agency or organization supported with federal funds, Subcontractor, concurrently with the filing of its invoice for payment, certifies to the following statement:

"The work or portion hereof for which payment is requested was performed while on authorized annual or compensatory leave from an agency or organization supported with federal funds and was performed with knowledge of that agency or organization."

Subcontractor further agrees that it shall not be entitled and shall not claim compensation for services performed under this Purchase Order for those hours of the day for which Subcontractor has received compensation from another source for the same hours of the same day. For purposes of this Section K, Representations and Certifications, included in US Government solicitations, payments by agencies or organizations funded by grants from or contracts with the United States shall constitute compensation from federal funds. It is further agreed that any claim for compensation submitted in violation of this clause shall be, if paid, recovered by Creative.

26) PROFESSIONAL STANDARDS - Creative agrees and represents that:

- (i) Entering into this Purchase Order and performing the duties and services hereunder will not create a conflict of interest for Subcontractor or Creative;
- (ii) All applicable laws and regulations governing the conduct of government contractors will be observed and complied with; and
- (iii) Subcontractor recognizes it may be necessary for Creative to disclose to appropriate authorities the fact of Subcontractor's retention, the duties performed by Subcontractor and the compensation paid to Subcontractor. Subcontractor hereby consents to the disclosure of this and related information should Creative believe it is in its best interest to do so.

27) PROHIBITED ACTIVITIES - Subcontractor agrees it shall not provide any of the following services under this Purchase Order, and that Creative shall not pay for such services:

- (i) services to improperly obtain, distribute or use information or data protected by law or regulation;
- (ii) services intended to improperly influence contents of solicitations, evaluation of proposals or quotations, or selection of sources for contract award by either the U.S. Government, prime contractor or subcontractor;

- (iii) any activity which results in violation of any statute or regulation prohibiting improper business practices or conflicts of interest; and
- (iv) services inconsistent with the purpose and scope of those contracted for under this Purchase Order.

28) VARIATION IN QUANTITY – Creative reserves the right to increase/decrease the quantity of a unit-priced item in this Purchase Order by not more than ten percent (25%) above or below the stated quantity. If Creative makes such an adjustment in quantity(ies), an equitable adjustment in the contract price shall be made upon demand of either party. The equitable adjustment shall be based upon any increase or decrease in the quantity at the fixed unit price associated with the item changed. Changes in quantity can only be made prior to the completion of the production of the item to be changed.

29) CHANGES - Creative may at any time, by written modification, suspend performance in whole or in part; make changes in drawings, designs, specifications, methods of shipment or packing, or time or places of delivery; require additional supplies or services, or direct the omission of supplies or services. If any such change causes an increase or decrease in the cost of or the time required for the performance of this order, an equitable adjustment will be made in the contract price, or delivery date, or schedule, or both, and this order shall be modified in writing accordingly. Any claim for adjustment under this paragraph will conclusively be deemed waived unless asserted in writing within thirty (30) days from the date of receipt by Subcontractor of the change order. The amount of the claim will be stated when it is submitted. Where the cost of property made obsolete or excess as a result of a change is included in Subcontractor's claim for adjustment, Creative will have the right to prescribe the manner of disposition of such property. Any change order issued hereunder will not be binding on Creative unless issued by an authorized purchasing agent of Creative. Nothing in this paragraph will excuse Subcontractor from proceeding with the purchase order as changed. Creative's engineering and technical personnel may, from time to time, render assistance or give technical advice, or effect an exchange of information with Subcontractor's personnel in a liaison effort concerning the supplies or services to be furnished hereunder. Such exchange of information or advice shall not vest Subcontractor with authority to change the supplies or services hereunder or the provision of this order.

Stop Work - Creative may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of XX days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and

take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of XX days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, Creative shall either-

(1) Cancel the stop-work order; or

(2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.
