

Aga Khan Foundation (AKF), Afghanistan Job Opportunity

Position Title: Technical Training (Advance M&E)

No of Position: 01 Male/Female

Duty Station: Kabul

Announcing Date: 10/08/2020

Closing Date: 23/08/2020

Vacancy #: CS/KBL/08/20/036

The Aga Khan Foundation, Afghanistan (AKF (Afg)) is an agency of the Aga Khan Development Network (AKDN), a group of international, private, non-denominational development agencies working to improve living conditions and opportunities for people in some of the poorest parts of the developing world. The Network's organizations have individual mandates that range from the fields of health and education to architecture, rural development and promotion of private-sector enterprise and institutions that seek to empower communities and individuals, usually in disadvantaged circumstances, to improve living conditions and opportunities.

The Aga Khan Foundation (AKF) is a non-denominational international development agency established in 1967 by His Highness the Aga Khan. Its mission is to develop and promote creative solutions to problems that impede social development, primarily in Asia and East Africa. Created as a private, non-profit foundation under Swiss law, it has branches and independent affiliates in 19 countries.

AKF seeks to provide sustainable solutions to long-term problems of poverty, hunger, illiteracy, and ill health. In Afghanistan, AKF works with rural communities in mountainous, remote or resource poor areas to improve quality of life in the areas of natural resource management, market development, governance, education and health.

At present, it is seeking exceptional individuals or firms to fill the consultancy position of **Technical Training (Advance M&E)**.
