INFORMATION ON BUSINESS OPPORTUNITIES

Background:

We provide emergency assistance in disasters, work for long-term development in local communities and address the root causes of poverty, we advocate for just decisions by public authorities, business, and religious leaders.

Norwegian Church Aid is an ecumenical diaconal organisation for global justice. We work to help the poorest and those in need, regardless of their creed, race, political or religious affiliation.

We work in areas, regions, and countries where we believe that, together with our partners and other actors, we can contribute to change.

Our type of work and the presence we have in a region or country varies. Our presence can be an operational country / area office, a joint country programme where we collaborate with a sister organisation, or it can be a humanitarian operation. NCA will also respond to acute emergencies outside of its geographic priority areas.

You can see which countries NCA has a presence in currently in the map below. You can also read more about our types of presence and the criteria for geographical priorities in NCA's Operations Manual [here](#).
