<u>**Request for Quotations (RFQ)**</u>

<u>**Call for Trainer – R (Data Analysis)**</u>

Caritas Germany is supporting Afghan NGOs since 1984 and established its own office in 1994, with programming focused primarily on water, sanitation and hygiene (WASH); food security; nutrition; disaster risk reduction; emergency response; and psychosocial support. Caritas Germany registered as an International NGO with the Ministry of Economy of the Islamic Republic of Afghanistan in 2002.

Here we are looking for an individual consultant to provide Caritas Germany and partner's staff <u>data analysis training through R Project for Statistical Computing for a total period of 5 days</u> (could be one entire working week or few days for several weeks) during the month of October 2020 with following requirement and specifications:

- The training will take place in Kabul at Caritas Germany Office for a group of 5-8 people (M&E Officers, Programme Managers, CG partners staff)

- Provide constructive sessions to train the participants on how to use R, i.e. functions, methods, coding, data interpretation, reporting, dashboards etc.

- Installation of the R software

- Practical exercise and application on a pre-selected database

Those who are interested are kindly requested to send their quotations including references and trainings you provided to other organisations and clearly mentioning the **total cost and available dates** to jobs@caritas-germany.af with the subject ''R Project Trainer" by 20th of September 2020.

Close date: 20th of September 2020
