

PARSA *Supporting Afghan communities since 1996*

PARSA (Physiotherapy and Rehabilitation Support for Afghanistan) is seeking a photographer or photography firm to deliver high quality photographs for PARSA programs.

Requirements:

- Experience photographing products such clothing, furniture, and food products.
- Photographer to provide all equipment needed, including cameras, lighting equipment, staging, backdrops, props, etc.
- The initial contract will be for product photography, however experience with photography and videography of people and events is an asset as we may choose to extend the relationship to other PARSA programs.
- Fluency in Dari/Pashto and English (written and spoken).
- Availability during the first two weeks of October 2020.

Required documents and information:

- CV and cover letter of photographer(s).
- If a firm, company profile, past performance, evidence of required licensing, and CV of photographer(s) should be included in the application.
- Sample portfolios will be requested of shortlisted candidates. Please do not submit work samples with initial application as emails with attachments greater than 5 MB will not be opened.
- Quote (see below).

Requirements for quote:

- Quotes are requested for a four-day (8am – 4pm) photoshoot at the PARSA main office in Kabul.
- A separate quote is requested with a daily rate for future activities and/or event photography/videography.
- Prices should be inclusive of all taxes and expenses.
- Payments will be through bank transfer only.
- Inquiries may be sent to jobs@afghanistan-parsa.org with subject line **Photographer PARSA/20/27 – Inquiry** and will be responded to within 48 hours.

How to Apply:

Applicants should submit bids to jobs@afghanistan-parsa.org by **September 27, 2020 at 5pm**, with email subject line: **Photographer PARSA/20/27**. Only shortlisted candidates will be contacted.
