About ASMO:

The Afghan Social Marketing Organization (ASMO) is a social marketing and behavioral change communication organization established in August 2008. ASMO as a free-standing, not-for-profit Afghan organization aims to create positive health outcomes by giving Afghan households the information they need to make informed and healthy choices and expanding access to high quality health products through commercial markets.

The Sustaining Health Outcomes through the Private Sector Plus (SHOPS Plus) project led by Abt Associates awarded Afghan Social Marketing Organization (ASMO) a project that improves the delivery of high quality family planning and maternal and child health products to target populations in Afghanistan through the private sector.

SHOPS Plus will provide technical assistance to ASMO in designing and implementing high quality social marketing interventions which leads to increased access to affordable priority health products and increased demand for priority health products and services. In addition, SHOPS Plus will collaborate with ASMO in developing a vision and roadmap for ASMO sustainability.
